

HANDS ACROSS THE WATER WAITING FAMILY

Taylor and Rachel

Hello! Thank you so much for considering us as adoptive parents! This must be a difficult time for you, but we know you are working to make the best possible decision for you and your baby. Thank you for taking the time to get to learn about us.

We are excited about our future and have always envisioned children being a part of it. We can't wait to provide a loving, safe home for a child where they will have space to grow and explore. We live in a quiet neighborhood with lots of other families with young children. There is a great sense of community here; everyone is very friendly and welcoming. There is a neighborhood pool where we spend as much time as we can during the summer months. We love adventures, both big and small. We love to go on walks with our beagle, Scout, family weekends up north, and take trips to Cape Cod and Disney. We're looking forward to doing all this and more with a child.

We are grateful to live in a wonderful community and be surrounded by so many loving family members and friends. We can't wait to share it all with a child. Thank you again for your consideration and we wish you all the best!
